## CORALVILLE MARRIOTT HOTEL AND CONFERENCE CENTER

Location: Coralville, Iowa

Project type: Hotel + Conference Center

Services: Architecture and interior design

Size: 265,000 sf

Completed: 2006

Tailored to the business and tourism needs of the University of Iowa, Iowa City, and the Coralville area, the Coralville Marriott offers its guests a full-service, 252 room service focused hotel experience with an IACC-certified conference center, 120-seat fine dining restaurant, and 30,000 square foot exhibition hall. This project is the lynchpin of Coralville's ambitious Iowa Riverfront Landing redevelopment district. Ballroom pre-function areas overlook an extensive wetland restoration area, ornamental pond, and outdoor terrace. The hotel also features an indoor pool, Iowa Writer's Workshop Library, and a Presidential Suite with a dramatic corner view.
